

REMAT

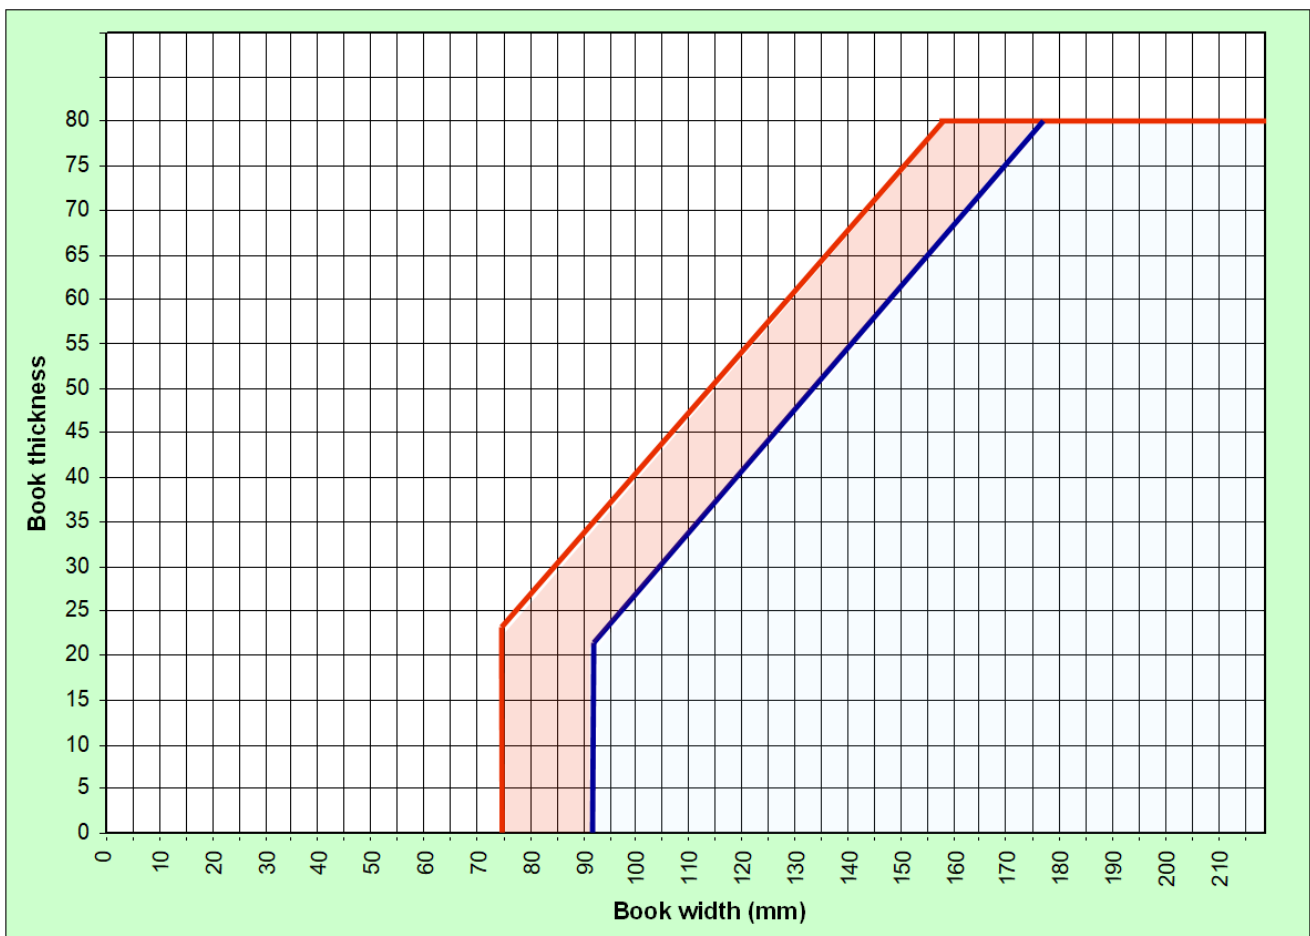

FORMATS GENERAL

Formats

Book width: min. 75 mm (special clamping)
min. 92 mm (normal clamping)
Book thickness: max. 80 mm
Book width - book thickness (applies to angle and form cut)

Clamping

The book can be clamped two different ways. Normal clamping with the rod (blue) protects the product, special clamping (red) expands the format range thanks to the possibility of shorter mounting.

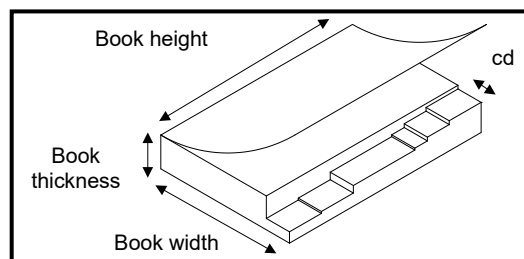

REMAT

FORMATS ANGULAR CUT

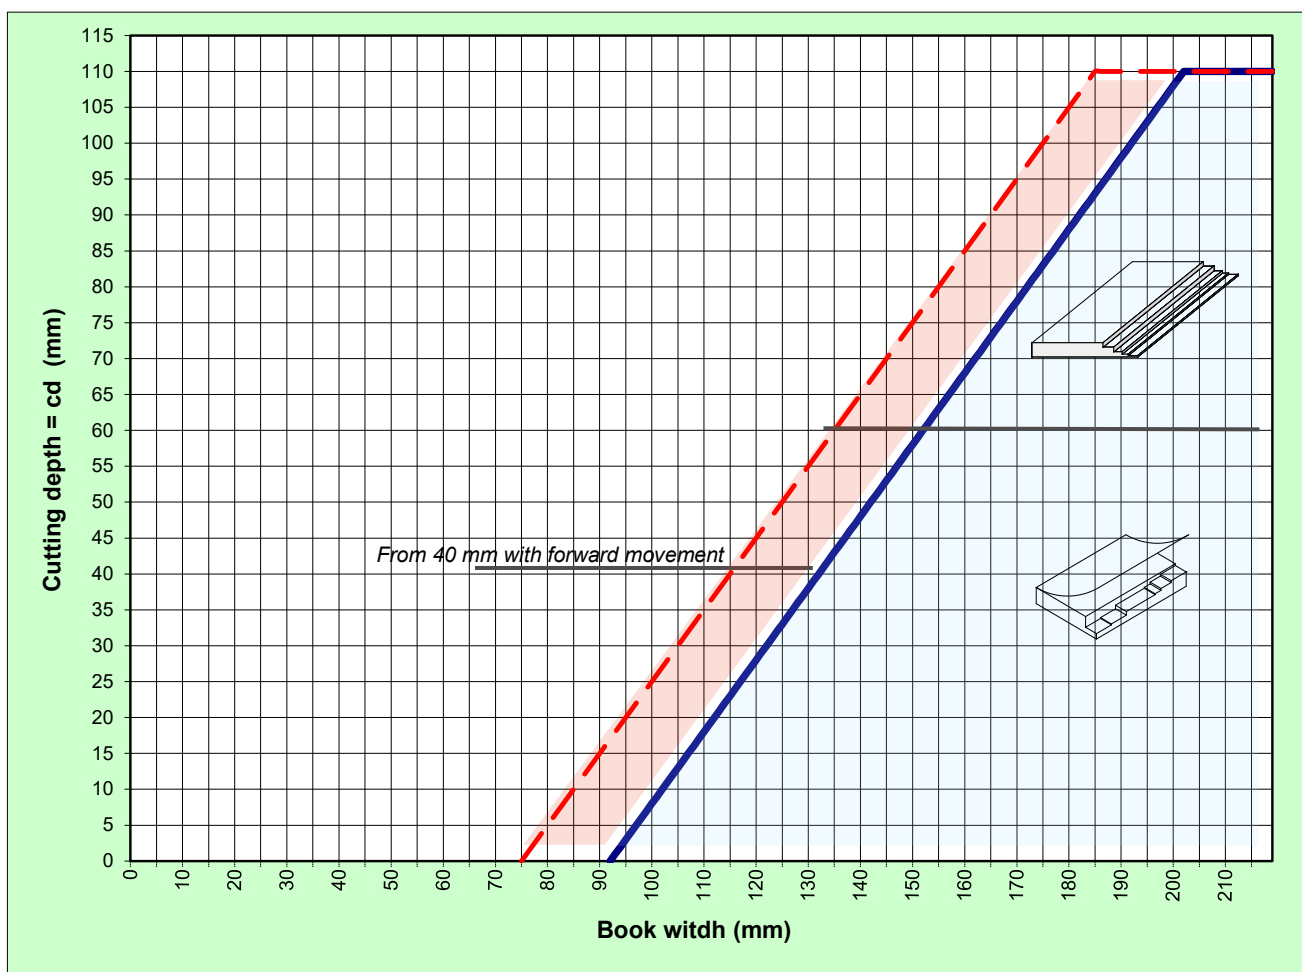

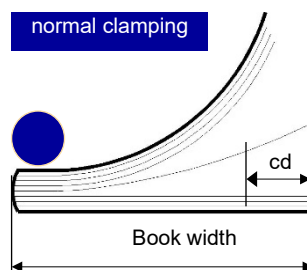

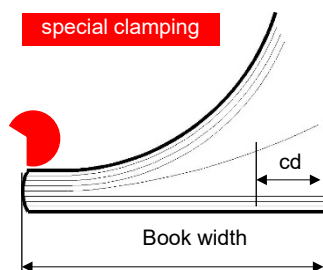

Formate

Book height: max. 420 mm
